Createspace, United States, 2014. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Some Long and some very Tall stories are told here. See how this Mom s poetry Shows and Tells a tale or two! The expression Pass It On can have many meanings, but here it can only refer to a mother reminiscing about earlier times in her life that she desires to share with others. Any young parent might find this enjoyable as they deal with their own children underfoot most of the time. Grandparents will be reminded of some past events in their own lives as Toni brings them to life here once more. There are stories in our history that should NEVER be forgotten! So, pass them on!!! Numerous object lessons are in plain sight here as our writer shares her own heart regarding dealings in her personal life and that of her own children and grandchildren. These stories are told in a rhyming pattern with illustrations drawn by her own grandchildren. She soon realized that other parents might also enjoy these storytelling adventures too. The smallest members of our household face fears that are addressed here as well. Be sure to place this short read near your children s bed stand to read at night, before tucking them in, or anytime of the day for that matter. You as a reader may find your children wanting to also draw their own pictures from the poems in this book. You can be sure each picture they draw will be refrigerator worthy too! Some parents may be inspired to begin their own book that takes us on a journey down their own Memory Lane, as is true here about Toni s Book. Watch for more...
