Chanel Brenner has crafted a resplendent work of art that is unrivaled in its ability to make sense of the ebbs and flows of grief. MIA SARA, author at [PANK] The psychological and physical benefits acquired through the process of transforming painful emotions into words, as a means to regulate grief and distress is well documented, scientifically and via therapeutic art programs around the world. However transforming a mother's sudden loss of her six-year-old son into an expressively accessible collection...
