INTRODUCTION Based on a child's account of her bizarre discovery of a blue container in a small room under the spiral stairs at her home, with her sister's birth date and a file number written on it. Her sister Toni that she hasn't seen, heard from or heard much about in over four years. The door leading to the space was dubbed The 5th door because of the label left on it by the builder of her home. It was left on the door for days as they unpacked, cleaned and organized their new home. The strange thing was, they tried figuring out why it was labeled the 5th door just for fun, and it made no sense at all to them. It didn't matter what logical order the doors were counted in, this door just didn't fall in that position. It may have been labeled for another home but the mysterious number encouraged the naming of the door that became an inside family joke, and over the years they actually referred to it as the fifth door. The contents of the room...
