Wishy-Washys flip-flop, knowing what they want one moment and changing their mind the next. Washers are doers. They see risk as opportunity, change as positive, and uncertainty as a chance to keep moving forward. **Wisher, Washer, Wishy-Washy** is a story about choices written in the style of *Who Moved My Cheese*. The book is unique in its choice of metaphor. It is based on the notion of water: ubiquitous, often taken for granted, but with the power to give life to ideas. Readers will identify with the books familiar, clearly-drawn situations and scenarios, reflect on their own choices, and eventually discover ways to determine, plan and realize their own goals for success and happiness. **Wisher, Washer, Wishy-Washy** shows how nineteen overlooked attributes of water can be applied to our lives to effect positive, meaningful and lasting change. The book blends inspiring quotes and the wisdom of the ages with real stories of people who have dreamed big and overcome hardships. A major section provides templates for the reader--everyone from student to retiree--to chart his or her own destiny and apply the startling power and promise of water. Everyone can become a Washer.
