Jesus has called us to reach them and those who feel the call often feel overwhelmed and unprepared as they face this seemingly insurmountable task. This book is written to give not only hope and encouragement, but tools that work. Even starting with nothing in a small church with a tiny budget you can be effective in reaching the youth of this generation, even if you don't have a bible college degree. Hang on, this could be the greatest job you will ever love! Paul Collins is Pastor of Underground Fellowship in Green Bay WI and the founder of Oben Youth Ministries. He has worked with teens for 27 years in various capacities including adult sponsor, church scout group leader, bus driver, retreat cook, camp counselor, Sunday school teacher and Youth Pastor. He has a passion for reaching the teens of this generation and for helping small churches find the keys to building successful youth ministries with limited budget and resources. Paul and his wife Lisa have worked side-by-side starting with 6 kids in their basement to a multi-faceted youth program reaching out to teens who attend the local church and those with no church background alike.
