Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 148 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. People who do not believe in God dont want any proof. While there can be no actual proof of God (short of seeing Him in person some day), it IS possible to disprove evolution. Find a few counterexamples, make your friends reconsider their basic assumptions, and they may reconsider the possibility of God. As Spock said on Star Trek, If you eliminate the impossible, then whatever remains, however improbable, must be the truth. For Example. . . Ask your friend why giraffes are so tall. A short giraffe could simply bend down and eat grass. We still have goats, horses, etc. , which also did not die out. The problem is that evolutionists DONT give this fable any thought. They tell each other this anecdote, which lets them hang onto their belief in evolution, which they can use to justify their nonbelief in God. Evolution Does Not Explain Everything Evolution can provide improvements, but it does not explain how things got started. Consider vision. Could a single mutation have caused an eyeball (complete with a lens and a retina), an optic nerve that could keep all the...
