SADDLE, SWORD, AND GUN A BIOGRAPHY OF NATHAN BEDFORD FORREST FOR TEENS

DOWNLOAD

Sea Raven Press. Paperback. Book Condition: New. Paperback. 116 pages. Dimensions: 8.4in. x 5.4in. x 0.4in. In this small but information packed book, Saddle, Sword, and Gun, Forrest scholar and relative Lochlainn Seabrook takes an inside look at the fascinating life story of Southern hero Confederate General Nathan Bedford Forrest. Written for teens and young adults (ages 13-18), Mr. Seabrook restores the legacy of one of American history's greatest figures—a legacy tarnished by 150 years of Yankee lies, slander, and anti-South propaganda. Ride along with Forrest and get a firsthand look at his childhood in Tennessee, his teens in Mississippi, his marriage and children, his multimillion dollar businesses, the start of the American Civil War, his enrollment in the Confederate army, and his rise to fame as a daring and successful Rebel officer. Thrill to the dramatic descriptions of General Forrest's exploits on and off the battlefield as he and his courageous cavalry (which included sixty-four black Confederate soldiers) fought their way across the South defending hearth, home, honor, and the constitutional right of self-government. Find out why the General's men loved and respected him, why the Southern people looked up to him as their Spiritual Comforter, and why he freed his slaves years before Lincoln issued his fake and illegal Emancipation Proclamation. After Lincoln's War, follow Forrest as he rebuilt his life from scratch, and helped the South regain her political power and dignity during the Yankees' cruel and revengeful Reconstruction period. See how the great Confederate chieftain lived out his final years campaigning for black civil rights and working to heal the physical and emotional wounds left by the War for Southern Independence. Along the way, you will learn the truth about Forrest and Southern slavery and about Lincoln's War on the Constitution and the American people, truths that...
