## **ANNE WITH AN E : AN INTERPRETIVE STUDY FOR GRADES 5-7 (PAPERBACK)**

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As a home educator for over 25 years, I have learned the importance of designing curriculum to meet the individual needs of my children while always focusing on their spiritual development. When my oldest daughter chose to read Anne of Green Gables, I couldn't find a published study guide that combined the emotional growth and the spiritual honesty of Anne with the rich vocabulary and literature of her era. Hence, the birth of Anne with an E . Anne with an E is more than a comprehension study with vocabulary and questions; it is also interpretive. Think About and Discuss questions are meant to take the parent/child, student/teacher deeper into Anne's world - a world with moral and spiritual values very different from our world yet embracing the same hopes and dreams of young men and women today. Locate each Vocabulary word in the chapter. Write out the word along with the sentence in the book. Using a dictionary, write out the definition that pertains to how the word is used. Many of these words are archaic and the use of an older dictionary may be necessary in order to find the proper definition. To strengthen retention, a personal sentence may also be written using the word. All definitions are found in the Teacher's Section. Creative Writing, Literature and Other Activities may also be done in this notebook. Many of the Creative Writing Assignments are short compositions and/or thoughts about situations that Anne experiences. Two literature pieces that Anne speaks about are included in the Appendix. The others, which are very long, may be found in anthologies or with a simple internet...
