These strategies, if applied with discipline, can provide efficiency to your day-to-day routine and increase your overall well-being. Procedures, Techniques, Rules. I Wish I Learned in School is a resource tool that offers bottom-line instructions on a range of habits that have proved beneficial to our nation s leading authorities. Andrae has taken his experiences from sitting down to talk with leaders, such as former Secretary of Defense, Donald Rumsfeld; Chairman of the Joint Chiefs of Staff, General Martin Dempsey; and Korean War hero, General Paik Sung-yup, and consolidated the lessons learned about life. Useful techniques are broken down into the simplest forms that relate to finances, health, parenting, and mind-set-all of which, if they had been reinforced and learned in our youth would have paid back seven times over. It s never too late to become better. Enjoy.
