This is our sixth reproduction of a shaped childrens book, and our fourth illustrated by Margaret Evans Price. Price has certainly proved popular with our customers, and for good reason. Her illustrations are pretty and fanciful. She is especially gifted at depicting children in a stylized yet not cartoonish manner. In *The Betty Fairy Book* (1915) a little girl Betty inadvertently angers the fairies by wearing a fairy crown that she finds and dancing on fairy ground. The fairies decide to banish her to a boat, on which Betty bravely faces several hardships. Betty's courage endears her to the fairies, who relent and take Betty to fairyland where she is cared for and given gifts. Betty comes away from her adventure with fairy souvenirs and new friends. This charming tale is richly illustrated and will appeal to both children and sentimental adults. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. *Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*
