It sounds like the adventure of a lifetime until the discovery of an ancient mask changes everything. Suddenly, the whole world is after him and only criminals, monsters and outcasts stand at his side. Will they be enough to stop the vengeance of a long vanished race who desire to return and cut short the rise of mankind? Or will they themselves be responsible for a premature end of the Fifth Sun? Journey to Tay, where spirits roam mountains of glimmering crystal and Dragons still live in the moon. From the acclaimed author of The Treasure Hunt and Red Mountain comes a tale of when the world was young and still full of wonder.
