

The Afterlife of Scholarship: A Critical Review of The Rebbe by Samuel Heilman and Menachem Friedman

Filesize: 4.53 MB

Reviews

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.

Oporto Press. Paperback. Book Condition: New. Paperback. 226 pages. Dimensions: 8.9in. x 6.0in. x 0.7in. The Afterlife of Scholarship is a detailed review of The Rebbe: The Life and Afterlife of Menachem Mendel Schneerson (Princeton University Press, 2010). Chaim Rapoport, a noted scholar and rabbi, contends that The Rebbes authors, Samuel Heilman and Menachem Friedman, made serious and sloppy errors in their pseudo-biography of the late Lubavitcher Rebbe, Rabbi Menachem Mendel Schneerson. Soon after the publication of The Rebbe, Rapoport published an initial essay highlighting some of the flaws in their work. Not long afterwards, Heilman and Friedman answered with a rebuttal essay. Rapoport responded with another essay, as did Heilman and Friedman. This fascinating public dialogue unfolded over three cycles, in which the flustered authors conceded that they made a number of factual errors in their work. The present volume, The Afterlife of Scholarship: A Critical Review of The Rebbe by Samuel Heilman and Menachem Friedman, is a reworked version of Rapoport's original essays, with two new appendixes. The Afterlife of Scholarship is geared toward the layman, and with more than 30 illustrations and over 500 footnotes, it is sure to provide ample material for Schneerson's future biographers. The Afterlife of Scholarship is the perfect companion volume to The Rebbe: The Life and Afterlife of Menachem Mendel Schneerson. What others have said about these books: Rapoport has crafted an impressively knowledgeable critique -- Adam Kirsch in Tablet Magazine Heilman and Friedman's book is marked by a serious number of factual errors -- Zalman Alpert in the Ben Atlas blog At times the attempt to find evidence leads Heilman and Friedman to errors. Rabbi Chaim Rapoport wrote a lengthy review In the authors response to his critique they admit that they have made mistakes. Greater caution could have prevented this embarrassment. -- Tomer...
