U.S. INTERESTS IN CENTRAL ASIA AND THE CHALLENGES TO THEM (PAPERBACK)

Lulu.com, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.For the United States, Central Asia is a region of both growing importance and of growing challenge. Its proximity to Russia, China, Iran, India, and Pakistan; location as the center of the Global War on Terrorism; and its large energy holdings make it a strategic region where the United States has important, some might even say vital, interests. Those interests pertain, first of all, to geostrategic realities of security, particularly in the war on terrorism. But they also pertain to energy and to the effort to support liberalizing and democratizing reforms. However, today those interests are challenged by Russo-Chinese and Iranian opposition to U.S. presence there, those governments and local regimes resistance to reform, and the revival of the Taliban in Afghanistan. Therefore we need to assess how those challenges are manifesting themselves and how America best might adapt to meet them and pursue its interests with greater success.
