## MY IMAGINATION BOOK: A STORY JOURNAL FOR YOUNG WRITERS (PAPERBACK)

Createspace, United States, 2011. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.WARNING: This book will cause creativity and hours of fun! Perfect for ages 7-12. Also GREAT for kids aged 4-6 with the help of a parent or older sibling! Get their imagination started early! My Imagination Book: A Story Journal for Young Writers When you are writing a story there are six (6) important questions you should always answer. Sometimes these questions are called the 5WH questions. They are: Who, What, When, Why, Where and How? When you are writing a non-fiction (true) story the answers to these questions are facts (things that are true). A non-fiction story is when you are writing about something that really happened like if you are telling a story about what you did over the summer or if you are writing a history report about the presidents. When you answer the 5WH questions for a non-fiction story, your answers have to be true. When you are writing a fiction (made-up or make-believe) story the answers to the 5WH questions cannot be found in a book or by remembering what happened to you. You have to make the answers up in your head using your imagination. My Imagination Book will help young writers answer the Who, What, When, Where, and How by using worksheets that ask important questions about characters, settings, and more. Worksheets included in My Imagination Book: Character List Character Question Sheet Setting Worksheet Event List Story Sheets.
