It is one of my favorite pdfs. Yes, it is engaging, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

BiblioLife. Paperback. Book Condition: New. This item is printed on demand. Paperback. 300 pages. Dimensions: 9.7in. x 7.4in. x 0.6in. from the editors PREFACE: In the following pages my aim has been to sketch the development of criticism, and particularly of critical method, in England; and to illustrate each phase of its growth by one or two samples taken from the most typical writers. I have in no way attempted to make a full collection of what might be thought the most striking pieces of criticism to be found in our literature. Owing to the great wealth of such writing produced during the last sixty years, it is clearly impossible to give so complete a picture of what has been done in this period as in others. It may seem strange to close a volume of literary criticism with a study on the work and temperament of a painter. I have been led to do so for more than one reason. A noticeable tendency of modern criticism, from the time of Burke and Lessing, has been to break down the barrier between poetry and the kindred arts; and it is perhaps well that this tendency should find expression in the following selection. But a further reason is that Mr. Pater was never so much himself, was never so entirely master of his craft, as when interpreting the secrets of form and colour. Most of all was this...
