It is one of my personal favorite publications. It is actually really fascinating through reading through the period of time. It has been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, change the way in my opinion.

Brand New Book ***** Print on Demand *****.Excerpt from The Pastoral Epistles in the Light of One Roman Imprisonment: Inaugural Address The problem of the Pastorals is one of the most difficult in the whole New Testament. Any discussion of these Epistles involves the one great question of their genuineness or authorship. By whom were they written? Are they Pauline? Three classes of writers are found on this subject: those who hold that the Pastorals are genuine as we have them; those who hold that they are not genuine; and those who hold that the basis of these writings is genuine, but that they have been interpolated, redacted, and expanded into their present form. Before any of these conclusions can be reached, the writer in each case must decide on the question of whether Paul was in prison at Rome once or twice.
