MEN'S PERCEPTIONS AND SUPPORT IN MATERNAL HEALTHCARE (MHC) UTILIZATION

Solomon Mwije
Men's Perceptions and Support in Maternal Healthcare (MHC) Utilization
An Exploratory Study of Men's Influence on Utilization of Maternal Healthcare Services: A Case of Sheema District Uganda

LAP Lambert Academic Publishing Nov 2015, 2015. Taschenbuch. Book Condition: Neu. 220x150x6 mm. This item is printed on demand - Print on Demand Neuware - In most cultures reproductive roles have been looked at as women's concern but evidence shows that men's involvement in reproductive health has significant influence on use of maternal health care services (MHCSs). Culture and socio-economic characteristics such as education and income influence men's perceptions and their support towards use of MHCSs. Men, women, and health...

Reviews

The ebook is fantastic and great. I really could comprehend every thing out of this published e publication. You can expect to like the way the blogger write this publication.

-- **Precious Farrell**

An extremely wonderful ebook with lucid and perfect explanations. I was able to comprehend almost everything using this composed e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Kimberly Carroll**
