Bloodaxe Books Ltd. Hardback. Book Condition: new. BRAND NEW, **Passionfood: 100 Love Poems**, Neil Astley, **Passionfood** is a feast of classic and contemporary love poems. There are a hundred flavours in this four-course celebration of love, passion and desire. Compiled by **Staying Alive** editor Neil Astley, its menu is distinctively different from that of other anthologies of love poetry. There are no broken hearts here. **Passionfood** is a celebration of true love - love that grows into love that lasts, love that fills every part of our lives, love that never leaves us. **Passionfood** opens with a starter selection of poems about attraction, desire and longing. **Passion** is the main course: the excitement of love, being and staying in love, including many of the greatest poems in our literature - by writers such as Shakespeare, John Donne, Elizabeth Barrett Browning, Emily Dickinson, Yeats and Auden. For dessert, the book offers deliciously saucy poems by leading contemporary poets. But like love, **Passionfood** is a feast which doesn't have to end. The fruit that follows dessert offers still more poetry to savour: poems about deepening love and friendship, love that never leaves us, poems celebrating closeness, trust and mutual understanding, poems of joy, wisdom and shared recognition. **Passionfood** is a book of positive, provocative and witty love poems for everyone whose life has been nourished and sustained by love, mixing passion with food for thought. It's also a book which holds out hope, and as such, a perfect gift for the person you love, for weddings and engagements, birthdays, anniversaries and Valentine's Day. This new edition is beautifully presented in a quarter-bound hardback gift format.
