LAP Lambert Academic Publishing Mai 2014, 2014. Taschenbuch. Book Condition: Neu. 220x150x6 mm. This item is printed on demand - Print on Demand Neuware - Entrepreneurialship is a vital factor which performs functions unparallel to other factors. However, it has certain weaknesses and strong points which can be correlated to socio-economic, political and psychological parameters such as age, education, family structure, sex, nature and habits, opportunities available and availed, economic base, family background, social and political links etc. In most of the cases, typically in agriculture, that too in developing world, the entrepreneurialship is combined with some set of other factors, as owner of land, performing some labour, contributing to business capital which makes it still difficult to isolate as a separate identity. This book is a first endeavour to bring out some basic theoretical aspects of Agri-Business Management, specifically on methodology and problems of farm record keeping quoting suitable examples for unambiguous insightful of the students, farmers and the research workers exploring this area. 104 pp. Englisch.
