Extensive information! Its this type of excellent study. I have read and i am sure that i will gonna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

ER nurse Macy Wynn learned essential, gritty lessons in the California foster care system: land on your feet and trust no one. She s finally located the fellow foster child she loves like a sister, but the girl s in deep trouble. Macy s determined to help, no matter what it takes. Her motto is to make it happen in any situation life throws at her--even when she butts heads with an idealistic cop.Deputy Fletcher Holt believes in a higher plan, the fair outcome--and his ability to handle that by himself if necessary. Now he s been yanked from Houston, his mother is battling cancer, and he s attracted to a strong-willed nurse who could be the target of a brutal sniper.When everything goes wrong, where do they put their trust?.
