Filesize: 1.22 MB

### ***Reviews***

*An incredibly wonderful ebook with lucid and perfect answers. It is written in easy words instead of difficult to understand. It has been printed in an exceptionally easy way in fact it is simply following it. After finishing reading this publication in which it really modified me, it modified the way I think.*

Kogan Page Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 232 x 154 mm. Language: English . Brand New Book. Real Project Management takes an in-depth look at the challenges we face in running projects in today s complex and global environment. In this groundbreaking work, leading specialist Peter Taylor examines issues such as the complexity of projects, the virtual nature of projects, executive sponsoring, benefits management and international dilemmas integral to completing a project or programme on time and within budget. Supported by the experiences of project managers around the world and relevant insights from a series of surveys commissioned by the author, with examples and case studies covering the strategies they are using to future-proof their projects, and tips to help you achieve and maintain success, Real Project Management will provide you with the tools you need to boost your skills portfolio and tackle head-on the challenges that projects and programmes present. These include: making effective use of new communication tools; managing projects with virtual teams; time management and how to do more with less; finding and connecting with effective project sponsors; connecting projects with business strategy; managing a multi-generational project team, and staying in control. Real Project Management is a fast-moving, practical read that will help the reader become a real project manager- and enjoy real project success.
